 Save up to 50% with a toll tag

 Pay-by-mail drivers pay 50% more

 Dedicated entrance and exit ramps provide safe access to and from each toll segment

 Current toll rates are displayed before each of the three toll segments

The LBJ TEXpress Lanes consist of three tolling segments. Separate charges will appear on your billing statement for each of the segments:

 **Toll Segment 1** Begins at Josey Lane and turns south on I-35E to the I-35E/Loop 12 split, and north on I-35E up to Valley View Lane and the I-35E TEXpress Lanes

 **Toll Segment 2** Luna Road east to the Dallas North Tollway

 **Toll Segment 3** Dallas North Tollway east to Greenville Avenue and 635 East HOV/Express Lanes

Want faster, more predictable drive times?

**The LBJ TEXpress Lanes offer
drivers more choice:**

- **Greater capacity**
Drivers can use LBJ's tolled
express lanes, improved
free lanes and expanded,
continuous frontage roads.
- **Faster speeds**
Variable pricing on the
LBJ TEXpress Lanes is
designed to maintain a
minimum speed of 50 mph
and ideally drive the 75 mph
speed limit during peak traffic.
- **Less stress**
No more gridlock.
LBJ TEXpress Lanes relieve
congestion and improve safety
on one of the busiest highway
corridors in North Dallas.
